Glen E. or Mickey Andrew

Serial No.: NM-105266

BLM Office: Roswell Field Office

Proposed Action Title/Type: Right-of-Way for an access road.

Location of Proposed Action:

T. 14 S., R. 24 E., NMPM

Section 29: That portion that is public on the NE1/4NE1/4;

Description of Proposed Action: Glen E. and Mickey Andrew filed a right-of-way application for an existing access road to their private property. The existing road is 30 feet wide and 1.3 miles long with approximately 0.370 miles crossing public land. No new construction will be required.

PART I: PLAN CONFORMANCE REVIEW.

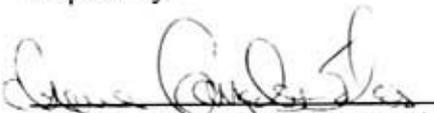

The proposed action is in conformance with the approved Roswell Resource Management Plan (RMP), and is consistent with Bureau policy and guidance.

The proposed action is consistent with State and local government programs, plans, zoning, and applicable regulations. The land is suitable for the proposed use and would not result in any undue or unnecessary environmental degradation.

PART II: NEPA REVIEW

This proposed action qualifies as a categorical exclusion under 516 DM 6, Appendix 5.4, E (16). The proposed action has been reviewed and determined that none of the exceptions described in 516 DM 2, Appendix 2, apply.

PART III: DECISION

I have reviewed this plan conformance and NEPA compliance record and have determined that the proposed project is in conformance with existing Bureau policy and guidance and that no further environmental analysis is required. It is my decision to allow the right-of-way as described, for 30 years, with an option to renew, under the authority of Title V of the Federal Land Policy and Management Act of 1976, subject to the terms and conditions in 43 CFR 2801; and the Standard Stipulations for Roads in the Roswell District, BLM.

Compliance and Monitoring: The proposed action and subsequent operational phases will be monitored as per regulation.
