Re: EOI
7.21 acres out of the Z.T. Mills Survey, A-1497
Grayson County, Texas

Dear Ms. Serrano:

Texoma Resources, LLC respectfully requests the above reference lands to be nominated for the Lease Sale scheduled for April 20, 2016.

I have attached copies of condemnations whereby the USA acquired title to the minerals and surface of these lands. Tract 1 contains 7.05 acres and Tract 2 contains 0.16 acres. The documents contain a more complete and detailed description for each tract.

Please acknowledge your receipt of this EOI and advise if there is any additional information or steps I need to take to assure that these tracts will be included in the scheduled Lease Sale.

I may be contacted at the address or phone number shown above.

Sincerely,

Richard L. Henninger
President
